Terry.dakin@ae.ge.com

To whom it May Concern:

The following instrument manufactured by Olympus NDT; OmniScan IX version 2.1R has been qualified as of March 10, 2009, and a letter was written to add the new version to the DFO for P29TF82 Class A, B and C, and P3TF31 Class A and B.

Sincerely,

A handwritten signature in black ink, appearing to read 'Terry Dakin'.
